

iTEC Student Workshop Schedule Fall 2022

Be sure to register for face-to-face workshops in advance. The location will be provided when you register. Register with itec@citytech.cuny.edu Note that we must tell security who is registered, so be sure to register in advance and you will be sent the location at that time.

There is no need to register for online workshops, which are held in the Blackboard Online Workshop for Students. All students will be registered in this online workshop at the beginning of the semester. Online workshops below are held in Collaborate within the Blackboard Online Workshop for Students.

Hybrid Student Blackboard Training

Take any face-to-face blackboard workshop below and have online support while learning the system. Throughout the duration of the training, students will have access to support materials, such as videos and documents. A support staff will also be available to answer your questions, along with arranged live collaborate sessions. Students are enrolled into our **Blackboard Online Workshop** and can be accessible on Blackboard, located under the **My Courses** section. For additional assistance, please email itec@citytech.cuny.edu

- Thursday, August 25th - Wednesday, December 21st (Online)

What's new in Blackboard

In this workshop, we'll cover new features in Blackboard that make things easier to read on your mobile devices, and we'll answer your basic Blackboard questions (or direct you to where to go in the BB workshop for more help). Live on BB Collaborate on the following dates:
